

CATALYST

Presented by PNC

Levine Museum of the New South brings you **Catalyst**, our come-as-you-are fundraiser that will entertain, enlighten, engage, and support the nation’s most unique history museum. **Catalyst** is a hybrid live/virtual event, offering everyone the opportunity to join us at Victoria Yard for a socially-distanced outdoor experience or online from the comfort of their homes.

This year **Catalyst** will feature **Eddie S. Glaude, Jr.!**

Princeton University professor Dr. Eddie S. Glaude, Jr. is an author, political commentator, and passionate educator who examines the complex dynamics of the American experience. Combining a scholar’s knowledge of history, a political commentator’s take on the latest events, and an activist’s passion for social justice, Dr. Glaude challenges all of us to examine our collective American conscience. **Catalyst** promises to be a compelling, thought-provoking and thoroughly enjoyable evening!
