

CATALYST

Levine Museum's annual CatalysT fundraising event illuminates agents of change.

History does not just live in the past - it informs our future. Now is the time to address critical issues that we still face today. You can help us spark that change.

During CatalysT 2024, we will showcase our new digital and physical platforms as you experience first-hand our exhibitions and programs in an immersive event. With your support, we can continue to work together to have critical conversations and identify solutions. We invite you to join us at CatalysT to help us build a stronger and more equitable Charlotte.

MISSION:

*WE CONNECT THE PAST TO THE FUTURE TO REALIZE
THE PROMISES OF A NEW SOUTH.*
